

**REPRESENTING THE FOLLOWING QUALITY MANUFACTURERS**

**Daikin Applied:** Packaged Rooftops, Air Handlers, Chillers, Fan Coils, Water Source Heat Pumps, Modular Chiller Plants

**Daikin Comfort:** VRV Systems, Split Systems, Heat Pump Hot Water Systems

Gold Series Energy Recovery Units  
BlueBox Multi-Functional, Simultaneous Heat/Cool Heat Pump, Chiller and Beams, Display Vent Products, VRV Integration, and Superblock.

Custom Air Handling Units, VRV Integration, Gas Fired Make-Up Air Units, Dual-core Regenerative Energy Recovery System

Energy Recovery Systems, VRV Integration, Counter-Flow Plate Heat Exchangers

Packaged Terminal Air Conditioners

Bi-Polar Ionization, IAQ Products

Mission Critical Climate Control Products, Chilled Water and DX in Air, Water, Glycol

Water Source Heat Pumps, Packaged Terminal Air Conditioners

Fluid/Dry Coolers, Condensing Units, Coils

The Science of Clean Air , High Efficiency Electronic Air Cleaners

VAV Terminal Units, Fan Coils, Air Handlers

Modular Heat Pump and Heat Recovery Chillers

Low Temp Solutions for Agricultural and Process Applications

Chilled Beams, Fan Coils, Underfloor Systems

Free Cooling Chillers, Process Chillers

Energy Recovery Ventilators,

Fiberglass Water Cooling Towers

Water Source Heat Pumps, Water-Cooled Condensers, Dehumidifiers

UV Lights for HVAC and Indoor Air Quality
